

Privacy Policy

www.ictsummitparamaribo.sr uses cookies to collect visitor data and analyze traffic on our site. This information helps us understand customer interests and helps us improve our website. When you visit our site, the pages that you look at, and a short text file called a cookie, are downloaded to your computer. A cookie is used to store small amounts of information. This information is collected for traffic analysis only. The cookie does not contain personal details. Depending on the browser that you use, you can set your preferences to block/ refuse cookies, and/ or notify you before they are placed. ICT Summit does not sell, give, or trade the statistics they store to any party for data-mining or marketing purposes.
